

The National Coalition of Health Care Recruiters (NCHCR) and American Coalition of Health Care Recruiters (ACHCR) has awarded [Advanced Practice Recruiters](#) the opportunity to be the single point of contact for hiring Physician Assistants, Nurse Practitioners, and other Advanced Practice Nurse for the state of Texas. This means when practices partner with Advanced Practice Recruiters to hire practitioners they will gain access to the job seekers represented by 145 recruiting firms and 450+ healthcare recruiters nationwide. Accountability, results, and communication will allow for employers to experience an optimal recruiting process due to this partnership.

The way the program works:

When a practitioner who is seeking employment in Texas contacts 1 of the 450+ recruiters within NCHCR/ACHCR, that recruiter will then contact Advanced Practice Recruiters for available practice opportunities within the state of Texas. The success of this program comes from the level of ACCOUNTABILITY required of Advanced Practice Recruiters. Communication and results are required for this exclusive partnership.

There are many benefits that arise from this partnership.

For Employers:

- You know that your practice will receive top practitioners, sourced from a team of over 300 recruiters who specialize in healthcare. This means Guaranteed Results!
- Your open positions will be filled in the fastest time possible.
- You will receive multiple qualified applicants from a very large candidate pool.

For Practitioners:

- You know that your point of contact is networking with 300+ recruiters to locate the best job for you!
- You will find a job fast.
- One point of contact across the state of Texas.

For NCHCR Recruiters

- You know who to contact when you represent a practitioner interested in Texas.
- The candidates you represent will find jobs fast.
- Accountability for communication and results.
